SETUP YOUR PROFILE

The screenshot shows the WordPress Profile setup page. The left sidebar contains navigation links: Dashboard, Posts, Profile (highlighted), and Collapse menu. The main content area is titled 'Profile' and includes a 'Personal Options' section. Under 'Visual Editor', there is a checkbox 'Disable the visual editor when writing'. Under 'Admin Color Scheme', there are eight color scheme options: Default (selected), Light, Blue, Coffee, Ectoplasm, Midnight, Ocean, and Sunrise. Each option is accompanied by a small color palette preview. Below this is the 'Keyboard Shortcuts' section with a checkbox 'Enable keyboard shortcuts for comment moderation. [More information](#)'. The 'Toolbar' section has a checked checkbox 'Show Toolbar when viewing site'. The 'Name' section includes input fields for 'Username' (with a note 'Usernames cannot be changed.'), 'First Name', 'Last Name', and 'Nickname (required)'. There is also a dropdown menu for 'Display name publicly as'. The 'Contact Info' section is partially visible at the bottom.
